

14th International Conference on Plant Pathogenic Bacteria
Assisi (Italy) 6-11 June, 2021

FULL POSTPONEMENT STATEMENT

Dear Colleagues

The Organizing Committees of the 14th International Conference on Plant Pathogenic Bacteria (14th ICPPB, Assisi, Italy 7-12 June, 2020) and the 4th International Erwinia workshop (4th IEW, Assisi 6-7 June, 2020) have been closely monitoring updates on the spread of the COVID-19 coronavirus worldwide. In view of the restrictions on travel and social interaction by institutions and governments, the decision has been made to postpone and reschedule the Conferences to 6-11 June, 2021 (14th ICPPB) and to 5-6 June, 2021 (4th IEW).

The conference website (www.icppb2020.com) will be updated and remain active to provide additional information.

Registration and abstracts submission will be online again from November 3, 2020. If you registered already, please contact congressi@consultaumbria.com about options for possible refunds.

Abstracts will be saved in the system and available for editing once the submission site goes online again.

We are very sorry for this decision but safety, health and wellbeing of all participants is our priority.

We hope you will join us for great conferences and look forward to welcoming you in Assisi 2021!

Kind regards,

The Organizing Committees of the 14th ICPPB and 4th IEW
