

14<sup>th</sup> International Conference on Plant Pathogenic Bacteria  
Assisi (Italy) 3-8 July, 2022

## THIRD CIRCULAR

Dear Colleagues

The Organizing Committees of the 14<sup>th</sup> International Conference on Plant Pathogenic Bacteria (14<sup>th</sup> ICPPB) and the 4<sup>th</sup> International Erwinia workshop (4<sup>th</sup> IEW) have decided to further postpone and reschedule the Conferences to 3-8 July, 2022 (14<sup>th</sup> ICPPB) and to 2-3 July, 2022 (4<sup>th</sup> IEW) as a consequence of the COVID-19 pandemic.

We are very sorry for this decision but safety, health and wellbeing of all participants is our priority.

The conference website ([www.icppb2020.com](http://www.icppb2020.com)) will be updated and remain active to provide information.

We hope you will join us for these great conferences and look forward to welcoming you to Assisi 2022!

Kind regards,

The Organizing Committees of the 14<sup>th</sup> ICPPB and 4<sup>th</sup> IEW
